

Claim your Zpiek keychain

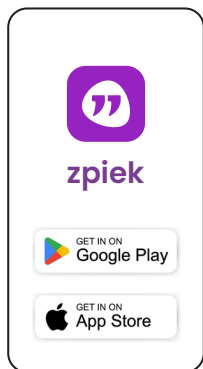

Follow the steps below to connect your keychain with your Zpiek account.

1

Download Zpiek

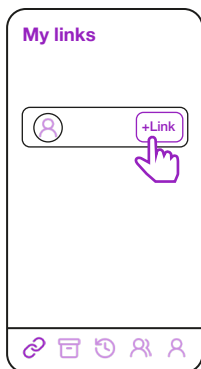

Get the Zpiek app and create a free account.

2

Click + Link

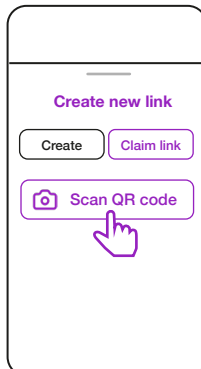

Go to **My Links** and click **+ Link**

3

Tap Claim Link

Choose **Claim Link** then press **Scan QR code**.

4

Scan your keychain

Scan the QR code on your keychain. Give it a name and tap **Claim Link**.

Done!

Your keychain is now connected to your Zpiek account and ready to be used.

If you lose your keys

Whoever finds them can scan the QR code on your keychain and contact you through Zpiek - without seeing your phone number.

Share links - not numbers!

Download Zpiek

Scan the QR code or visit zpiek.com to download the app.
